REGISTER FOR CONVENTION
May 16 - 18, 2019 (Fees increase May 11th)

You can still register for California State PTAs 2019 Annual Convention in Monterey. One day registrations are available and expenses can be kept to a minimum if units choose to drive to Monterey and back. While there is a limit to how many voting delegates a unit can send, there's no limit to the number of non-voting delegates that can go to convention. Be sure to bring your membership card! See California PTA's bylaws for details.

HISTORIAN REPORTS
Due May 15th

While school will still be in session well after May 15th, Peralta District PTA requires that units estimate the final weeks of volunteer hours and report their totals using the Annual Historian Report Form.

Why is it important to track volunteer hours? Because volunteer hours reflect the single most important contribution to our schools - YOU! And as the saying goes, "Time is money," it's important to quantify your contribution to the authorities that be. Your Stealth Wealth
