# Ready, Set, Remit!

## MEMBERSHIP UPDATE

**Ready, Set, Remit** is a membership challenge from California State PTA encouraging all PTAs to turn in membership dues right away. To qualify for this challenge, per capita for at least **30 members** must reach Peralta District PTA **by October 15**. And if your unit has over 30 members you can send in [your remittance](#) for all of them - we'd love to see how well you're doing!

Have you reached out to [students](#) to join your PTA?

Have you reached out to [teachers](#) to join your PTA?

Need [other ideas](#) to help you increase your PTA membership?

## PROGRAM GRANTS

What We Offer

Peralta District PTA offers several grants to assist units and councils in their work. Applications for Health & Safety grants as well as Council grants are being accepted now until December 15th. PTAEZ Grants are available throughout the year. To apply click on the following links:

Health & Safety Grant

PTAEZ Grant

## REFLECTIONS CHAIR NEEDED

Be the missing link in a great program

Many school communities in Alameda County participate in

[PTA's Reflections program](#). In-council unit entries are judged and winners forwarded to the council for consideration. Council winners are then sent to Peralta District PTA on **December 6th** for judging against out-of-council finalists before going to California State PTA.

Our dedicated team of volunteers needs someone with unit or council Reflections experience to head the effort of judging and awarding entries at the district level (approximately 70 entries).

## CHROMEBOOK FUNDRAISER

Bring learning home and support your local PTA

National PTA is proud to have [Google Chromebook](#) as it's newest sponsor. If your PTA utilizes passive fundraising, your association may want to consider registering for one or more computer manufacturers participating in this program (Asus, Dell, HP or Lenovo).
